Ellicott City, MD 21042
August 30, 2021

The Dunloggin Middle School (DMS) Parent Teacher Association (PTA) partners with local businesses to support over 600 DMS students and staff. Thanks to support from area businesses, the PTA funds projects such as:

First Lego League challenges students to think like scientists and engineers and solve real-world problems by building, testing and programming a robot.

Oyster Gardening gives students the opportunity to demonstrate leadership and teamwork as they work together to grow oysters and explore the ecology of the Chesapeake Bay.

Chesapeake Shakespeare Co. Residency occurs each spring as part of the language arts curriculum. Professional actors from this troupe give students the opportunity to dive into Shakespeare's plays and work with other students to act out scenes.

BioEYES is a hands-on opportunity to observe the development of zebra fish. It exposes students to the scientific method and encourages exploration.

...along with many more programs such as author visits, field trip support, STEAM assemblies, student recognition, teacher support and community health, wellness and social events.

We are seeking your support to invest in our students and offer these opportunities to broaden their horizons.

How can you help?

- Cash donations of any amount help us fund in school academic enrichment activities. We are offering two levels: **Dragon Trainer \$250** and **Good Neighbor \$125**. Each level provides exposure to our school community.
- Donations of goods or services that could serve as prizes for students, staff or parents.

We welcome support in any amount. You can become a sponsor by mailing the enclosed sponsor form with a check payable to DMS PTA. Donations are tax-deductible to the extent allowed by law. Our tax ID is 23-7366866.

We hope you will join us in investing in the future of over 600 students, and the teachers and staff who guide them. Thank you for your consideration.

Sincerely,

Sandra te Plate
DMS PTA VP/Fundraising
